Comprehension

3- Read the following and then answer the questions:

Reading is a very helpful habit. It gives us new ideas and improves our language. When you read, you need to be in a quiet place. It is better to wear your reading glasses if it is necessary. You should read different topics. To remember what you read, it is a good idea to have a pen in your hand to underline or circle the important points. Try to discuss what you have read with your friends. People read for different goals. Some people read for enjoyment just to feel happy and spend a nice time. Others read for work. Students read for their study or research. All of us read the news and the weather report. We also read messages, emails, and letters that we receive.

A) Answer the following questions:

146. Thousands of fish are (**catch**) by people every day.
147. A lot of rubbish (**recycle**) by Germany and Korea.

6- Write a paragraph of about (90) words:

(1) Your daily routine

I'm thirteen years old. My daily routine is the same every day. I like getting up early, so I always get up at 6 in the morning. My mum always makes my breakfast. I always help her make it. Then I have a shower and put on my school uniform. I always go to school by bus with my friends Ali and Ahmed. Sometimes we listen to music. My parents work at the nearby hospital. They get home late, so I often help to make dinner. In the evening, I do my homework, read on the sofa, watch TV and text my friends. I always go to bed at 9.

(2) A description of your bedroom

We have a big family house. I like it so much. I really like my bedroom. There is always lots sunshine when I open the curtains. I like seeing the sunshine when I get up. My bed is under the windows. I have a big wardrobe in front of the bed. I put my clothes in it. There is also a sofa next to the window. I always read my favourite books on it. I put my things in a big chest of drawers. This is next to the door. I don't have a basin in my bedroom because the bathroom is next to my room. I have a big mirror. I always like to look at myself in it!

(3) People and jobs

People have different jobs. Everyone should do the job they like. Some people are police officers. They are important. A police officer drives around the city and makes sure that people are safe in streets. He/She catches thieves and helps make traffic better. Some people are nurses. They are very important, too. A nurse helps look after patients in hospitals. Some people are street-food sellers. A street-food seller always works in streets. That's why their job is hard. He/She prepares food for people to eat. Some people are call-centre workers. A call-centre worker speaks to people on the phone. He/She helps them with their problems.

(4) What you do at the weekend

Hi, I'm Omar. I'm a prep-school student. I'm twelve years old. I live with my mum and dad in a small flat in Fayoum. At the weekend, I'm usually quite lazy. I usually spend a nice time with my family. My parents and I go and visit my grandparents at their house. We usually have a big dinner with them and we sometimes stay at their house until it is late. Their house is bigger than our flat. On Saturday morning, I often stay in bed and then I have a late breakfast with grandmother – she's a fantastic cook!

In the afternoon, I do my homework.

(5) What is a hero?

A hero is someone who can be brave when they face a problem. A hero is a person who is able to help others. A person can become a hero by saving someone who is in danger. A hero is someone who puts people first. A hero thinks about other people before they think about themselves. Fire fighters are heroes. They think about saving people. Sometimes a hero can be a teacher. He/She can teach you to read and write. That will make a difference to your life. We have a lot of heroes in Egypt who we're proud of.

(6) An object in your home

I'd like to describe my favourite object in my home. It's a vase. My friend Samy bought the vase from Aswan in 2000. It is made of clay and it was made in Egypt. The vase is fantastic. It is coloured beautifully. I put fresh flowers in this vase every morning. At present, this vase is kept on my desk. It makes my desk more wonderful. This painting always reminds me of my grandfather because it is the best present I got from him. I like it very much. Paintings make walls look beautiful. So I put it on the wall of my room. I feel happy when I look at it. My grandfather bought it when I succeeded in my exams.

(7) What you think we can do to protect the environment

We can help protect the environment in our everyday life. The most important way to protect the environment is to plant trees. Trees may take long to grow, but they are good for our children. We must also stop cutting down trees. We must use less water when we wash or brush our teeth. To protect the environment, we can walk, use bikes or public transports instead of our cars. Cars cause a lot of air pollution. We can collect rubbish and recycle it. This helps keep the environment clean. We should search for another type of fuel to use. We can use the wind or the sun instead of oil. Our environment needs our efforts to protect it. In this way we I II live a better life.

(8) Random Acts of Kindness

Our class decided to do one act of kindness every day for three days. This is what I did: on the first day, I bought my mother flowers. On the second day, I gave my seat to an old man on the bus. On the third day, I donated money and clothes to a charity which helps disabled people. My friend Hossam did some acts of kindness, too. On the first day, he gave money to a beggar. On the second day, he gave directions to a stranger. On the third day, he helped an old woman cross a street.

(9) How you could help people in your community

I can do many acts of kindness to people in my community. I can work as a volunteer in a charity or a hospital. I can pick up rubbish and put it in bins. I can help my neighbours by doing the shopping. I can donate things and money to a charity. I have to help my old neighbours. I have to keep the street clean. This helps the street cleaners so much. I have to help beggars who are hungry. I have to be helpful in my community.

(10) The importance of Water

Water is very important. We cannot live without it. Water makes up more than half of our weight. Water is necessary for drinking, bathing, cooking, cleaning, and washing and so on. We must save and recycle water. People shouldn't waste water. Some people waste a lot of water by washing their cars. We should take a five-minute bath to save water. We should keep the lakes clean. People mustn't throw rubbish in rivers. They should help clean them all the time.

Subject: "What I and my family usually do in the holidays"

Dear Hany,

How are you/ I want to tell you about what I and my family usually do in the holidays. We don't usually have a routine in the holidays. I get up at 11. My mum is a housewife. I always help her make breakfast. My brothers help, too. My dad is a dentist. He usually takes us to a nearby park .

We always play and have fun when we go there. We have lunch and take a lot of selfies there. We go home at about four o'clock. In the evenings, I often listen to music. My dad and I sometimes play chess. My brothers always watch TV and my mum usually reads.

Yours,

Nader

(2) A trip to Al-Azhar Park

Dear Huda ,

How are you? I live with my family in Cairo. My family and I go on trips around Egypt. Once we went on a trip to Al Azhar Park. We left home early in the morning. It was sunny and we all felt active. We arrived at Al Azhar Park at 9 a.m . My mother and father sat under a tree. We had a delicious breakfast there. We visited the Umm Sultan Mosque. It was really amazing. We took wonderful photos there. My middle sister took selfies as usual. We got home at 6 p.m. It was a fantastic day and all of us felt happy.

Yours,

Salma
